

INDIANA VOLUNTEER FIREFIGHTER'S ASSOCIATION

"Aiming to foster and promote unity and harmony among volunteer fire departments throughout Indiana"

THE INDIANA VOLUNTEER FIREFIGHTER

(USPS 262-480)

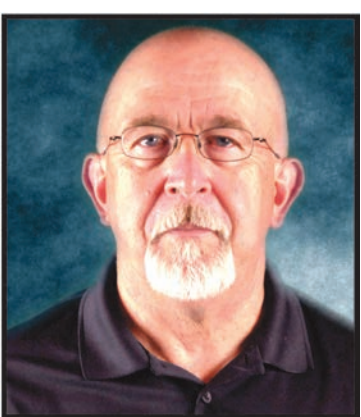

VOLUME 73 NO. 2

Organized and Trained for the Protection of Life and Property

May 2024

From The President

Jerry Liston

Greetings!

We have quite a few things going on in our association as I write this article for May. The biggest is the upcoming annual meeting to be held in Indianapolis in June at the Crowne Plaza Airport Hotel. The date is June 13, 14, and 15. Larry Curl and his Committee are working hard to finalize all aspects of the 3 days and to make sure you have a great time in June. Hope to see you there! Please come join us and enjoy some networking while we address the business of the fire service in Indiana.

We as an association struggle to get good information out to our members in a timely manner on the different platforms available. We are in the final stages of implementing a phone app for our members. The app will be used to push out notifications, as well, give you another path to our website. The app will be beta tested and hopefully will be available to all members in early to mid-June.

If you or your department have not taken the Cancer Survey,

please take the time to complete it. A link to the survey is located at IVFA.org or in the past two issues of the newspaper.

This legislative session this year was the short session. We watched several bills this past session. One bill watched was HB 1302 for Emergency Medical Services. This bill, which passed, and has been signed by Governor Eric Holcomb requires the county executive shall provide the Department of Homeland Security certain information relating to each emergency medical services provider in the county no later than July 15, 2024.

We invite you to leverage our new Savvik buying group benefit. Savvik, a long-standing service to public safety agencies, offers a range of programs and bids at no cost to IVFA members. Not only agencies but individual members can also benefit from vendor programs. A part of the expenditure through a Savvik contract supports the IVFA. Please go to the Savvik website and sign up your department.

In March of this year, we unfortunately lost a 77-year member of the Indiana Volunteer Firefighter's Association. William F. Garner of the Hanna Twp. VFD in District 3 passed away at the age of 97 years old; in addition, Mr. Garner is survived by his wife Doris and 5 children. A celebration of life service was held at the Hanna United Methodist Church on March 17, 2024 and was standing room only, a tribute to a man who served his town and country.

Due packets were mailed to member departments in April. Please look them over and make

Ensure all information shown on the roster sheets is correct. Change of beneficiaries and new members require new membership forms are submitted. Should you have questions, please reach out to your District Chairmans or the Central Office.

March is the start of severe weather season and we must focus on it. Strong storms and the

potential for tornadoes are few of the elements we can expect throughout the state. Make sure your department reviews their plans before the season becomes highly active.

In closing, until next time, stay safe doing what you do for your department and response service area. And lastly, I hoped you enjoyed the Eclipse on April 8th and survived the chaos that came with it.

Jerry

From The Vice-President

Ross Emery

Greetings from Southwest Indiana

Wow, where does time go!!! By the time you receive the IVFA quarterly newspaper hopefully the cold, snowy, icy and sometimes freezing winter, is all behind

us and the spring planting and growing season is in full swing. The first quarter has been very busy for the association as we focus on our legislative agenda. We work hard for our members during the legislative session. So please check out the article in this newspaper from our lobbyist Larry Curl for a full update on this year's legislative session.

Dues packets for 2024 will be mailed around mid-April. If your department has not received those packets by May 15 you might want to reach out to the Central Office at 877-606-4832. When you or your designee go through the packets make sure to verify member contact and beneficiary information make sure address information is correct on the roster sheet. If a beneficiary change needs to occur, the member must complete a new beneficiary form when submitting information back to the Central Office make sure your department keeps a copy for your department.

From the State House to the Fire House
by Larry Curl

Greetings; Fellow officers & members;

Well here we are (as of this writing) four months into 2024. The General Assembly adjourned sine die meaning with out setting a time to reconvene, with is typical for ending the session.

Just a quick run down on legislation for 2023/2024

The IVFA choose not to introduce any particular legislation this session as it was a short session, we were told it would be a quick session and we were already hearing from others that had public safety issues they were going to introduce and lastly it was not a budget year meaning there should have been no funding bills (which is never really the case).

So what did we see out of legislation this session

1) SB 33 – which for us was sort of an upgrade from last sessions HB 1454. If you recall HB 1454 addressed the sharing of some County LIT funds with fire departments. Well SB 33 in part says “Provides that a township fire department , volunteer fire department, fire protection territory, or protection district may apply to the county adopting body for a distribution

of local income tax revenue that is allocated to pubic safety purposes. Requires the county adopting body to review certain submitted applications at a public hearing.

2) HB 1302 Creates a county reporting of all EMS within each county showing who provides and who pays for it

3) HB 1385 – Establishes the community care initiative grant pilot program for the porpoises of assisting in the costs of starting or expanding mobile integrated health care programs and mobile crisis teams in Indiana

So the question now is what is the quest for the next session. As I travel around the State attending meetings I have ask the question and it usual comes back benefits and still working with the Indiana General Assembly talking about funding (or the lack there of) Volunteer Fire Service.

So I will ask those of you reading this article the same what should we be preparing for for the next session of the Indiana General Assembly. I would love to hear from you as I know there are issues and concerns that impact every department and most of our members I just want to make sure we are working on those items.

The IVFA will begin meeting with legislators to share our thoughts and concerns about sustaining and growing our volunteer services in Indiana, and hope to end on a positive note to help support our needs

We have marketed and promoted the cost savings that we are able to enjoy as a state because of the services we provide, and we addressed the many reasons for our membership shortages, funding shortages, lack of support now we need to hear form our membership, about your concerns.

Hope to see you at the Annual Meeting of the members at the 78th annual IVFA State Convention where the conversation will go live.

Lastly we have hosted our 50 year member's celebration day again at the State House where we honored the IVFA members who this year completed 50 years of service to their departments, communities and most importantly to their fellow citizens. Full detail of this event may be found in this addition of the IVFA quarterly newspaper.

Be safe, and be proud of the service you provide

Greetings all!

Spring has officially arrived, although, it seems like it arrived in January, and again in February, and again, well, you get the picture. Hoosier Hysteria, the Daytona 500, Easter, and FDIC have come and gone, and spring 2024 is in full swing.

Spring. A time of year when all that seems old, is new again. There is a local business here in LaGrange that posts various inspirational messages on their sign every couple of weeks. One such message recently said something about how even frozen flowers bloom again in spring.

Spring. Spring is a good time to reflect on life. The trees, the flowers, the things that appeared to die last fall, have bloomed back to life, and soon will be blessing us with natural beauty for another season. Our lives are different.

We are born, we live, we grieve those who go before us, and we too, will die one day. However, our lives live on in the memories of those we leave behind. Our lives spring back every time someone shares a memory, a story, an event, and this happens at anytime, anywhere. It's like spring all year long.

Jesus shared his life with all of us, and here, some two thousand and twenty-four years later, we know some of the stories of His life, as shared in the Bible. We still celebrate His birthday, and His death. Rejoice in knowing that even though the human life has ended, we also gain eternal life, where we are rejoined with those we love, those we miss, those we long to see once again.

Live each day as if there were no tomorrow. I share this from our house: Live simply, laugh often, love much, speak kindly, care deeply, expect little, give generously, forgive easily, and trust in the Lord with all your heart. As a friend of mine says, "Choose happy!"

God bless and stay safe,
Dave Elick, IVFA Chaplain

This year's convention, and annual meeting will be held at Crowne Plaza Indianapolis Airport. The convention committee has worked hard on this, they have focused on providing great training during this year's convention. If you cannot attend the whole convention come check it out for a day or two. For all the information on convention please check out the IVFA website at www.ivfa.org. We plan on having the first ever Jr. Firefighter competition at this year convention. We will also honor our 2024 state award winners, and elect our state officers for the year of 2025.

On February 26th we honored this years 50 year Gold Card recipients at the state house this is a very special event that the IVFA puts on each year inside the state capitol. The new recipients of the gold card get a chance to meet with their legislators, get to go meet the governor. I always

enjoy being there and meeting some members, and their family that have been the foundation of our organization.

For the last year and half, we have been working on a cancer research study for our membership. If you have not filled out the survey please do, It will provide vital information that will allow us to have data to use as we continue to work towards legislations to help protect and take care of the volunteer's firefighters of the State of Indiana.

I am sure you have heard me talk about our struggle to communicate with our membership, I know I have talked about the IVFA developing a phone app. We are in the testing phase of that app. I do not have a timeline of when it will be released, but I am looking forward to this new tool for us to communicate with our membership.

Health and wellness of our membership is becoming a hot topic and one we will continue to focus on, what can we do to take care of our membership? We will continue to work to improve the health and wellness and hopefully at some point be able to provide some health and wellness benefits for our membership.

If you have any questions or if I can help you or your department in any way, please do not hesitate to contact me. My contact information is in the paper.

Please continue to be safe as you protect your citizens and make sure you take care of yourself, too.

SNAP SHOT IN TIME

I have always been interested in history. In our great Country and the great State of Indiana, and The Indiana Volunteer Firefighter's Association

I will in my articles, try to bring you up to date on some of the happenings and remind you of days gone by.

The IVFA just recently presented our first 75 Year

Member and the good news is we have several more 75 year members to make presentations to. What and monumental milestone to attain. Congratulations

Our 75 Years Book is nearing completion and will be going to press for printing vaery soon, we are continuing to work diligently on our 75 year book. Unfortunatley it will not be ready

for Convention time. If you have a story about the good old days or back in the day just drop me a note to tell me about it.

*Always be humble and kind

PUBLIC RELATIONS REPORTS

Public Relations Director Southeast Edwin J. Scheele

IVFA PRSE report

The state convention is fast approaching. It is June 13-15 at the Crown Plaza in Indianapolis by the airport. Hope everyone can make it. Next year it will be at Clifty Falls at Madison. Now is the time to be thinking about awards nominations for next year and filling them out on the website.

Dues packets will be out soon. Check all information on the printout to be sure it is correct. Be sure the address is right and date you joined the fire service, if you have been on more than one dept. It is the date you joined the first dept. We need everyone to please fill out the cancer survey. I hope everyone has a safe and enjoyable summer.

Ed Scheele
IVFA PRSE

Public Relations Director East Central David Israel

On behalf of all the IVFA Districts of PREC Districts 8A, 8B, 10, 13A, 13B, others; THANK YOU for all the help given to those effected by the tornado clean up last month. That's what we do. Help our friends, neighbors and communities when they are in need.

I, WE THE OFFICERS OF THE IVFA NEED YOUR HELP. WITH DUES PACKETS COMING OUT, IN THE COMING MONTHS, DUE OR POST MARKED BY JULY 31, 2024. YOUR DEPT. CAN PAY BY CREDIT CARD BY CALLING THE CENTRAL OFFICE. COULD YOU PLEASE MAKE SURE YOUR FIRE DEPARTMENT INFO IS CORRECT.

WHEN I DRIVE 2 HOURS

TO A DIST. MEETING TO SEE AND VISIT. I AM HOPING AND PRAYING YOUR ADDRESS IS CORRECT. IT LOOKS BAD ON US OFFICERS SHOWING UP LATE BECAUSE YOU DIDN'T UP DATE YOUR FIRE DEPT. ADDRESS AND THE DIST. CHAIRMAN DIDN'T EITHER.

WITHIN THE LAST MONTH I PUT THE GPS INFO IN MY PHONE, 2HR DRIVE, PHONE SAYS YOU HAVE REACHED YOUR DESINATION. WRONG I AM AT THE 4WAY WITH NOTHING AROUND. SOMEONE CALLS ME FROM THE MEETING WHERE YOU AT, GPS SAYS I AM HERE BUT, EVIDENTLY NOT. YOUR WHERE AT THE CORNER OF WALK AND DON'T WALK, OH YOU NEED TO GO WEST ANOTHER 7 MILES TO THE STOP SIGN FD ON THE RIGHT. SO PLEASE MAKE SURE YOUR DEPT INFO IS CORRECT.

Some of the District Chairman in PREC have made changes on how, when and where there meetings are with Training on Saturday Mornings and a short Meeting. That's right 10AM on Saturday Mornings (8B) will be having Saturday morning meetings and a training meetings in 2024. You don't have to look them up. They are already posted on the IVFA Calendar. You don't have to wait to find out when they are, there on line. Where THE IVFA CALENDAR ivfa.org.

Since the District Chairman

can't seem to get your DEPT. email address, WOULD YOU Fire Chief or someone. PLEASE SEND ME YOUR CURRANT FIRE DEPT EMAIL ADDRESS and MEETING NIGHT TO David Israel at prec@ivfa.org.

Governors 10 Million Dollars Budgeted for turn out gear and SCBA's is about to be come reality for those are receiving. Congratulation's to those Departments RECEIVING NEW TURN OUT GEAR.

We need the District's input (all of them not just one or two, all of you) to make things better, on the training side, did you know you can down load all the IFSTA books from the book store?

District Chairman need two contact people from each Dept. so we can communicate to see what you need. We all have more going on in our lives than we can handle. Hey Ron and Bill when are we going on the road trips in the coming months of 2024. Had a road trip planned for us last week figured Bill was in the field working dirt and Ron was at the track testing tires so I canceled it.

But could we at least try to

make an effort to have two people at a District Meeting from each Department. Please go to the IVFA web site (ivfa.org) look up your Dept. INFO and make sure your INFO is correct or not, send me the corrections that need to be done and I will correct them on the web site. Thank You

2024 IVFA Convention June 12-15, 2024 : Have you got your Truck tickets yet???

Convention Chairman Larry Curl has a great line up well known speakers for Training. See you there.

DON'T FORGET ABOUT THE CANCER SURVEY ON THE WEB SITE: ivfa.org

Here is what we need from you. Participation from you, it's a two way street. I will get off the soap box NOW it's going to be a fun 2024.

OH!! If I don't answer PLEASE leave a message or TEXT!!

See you at the next District Meeting.

The importance of turning your photos and copy in on time

I work on The Indiana Volunteer Firefighter evenings and weekends. Sometimes I take time off of my regular 8-5 job working for the *White County News and Review* to check emails and download the photos that you all send to me. I sort the emails by district, then convert the files to prepare for printing.

To create the paper, I make sure all the ads are print ready. If they are not, I reset them. Then I place them on the appropriate pages. Next, I place all the copy and photos in the paper. When I have the paper completed, I send Buzz a copy of the paper to check over and I send to press after he approves it.

I need to get this paper off to the printer by the third weekend of the month. Please send your photos with descriptions, articles, events & meeting notes as soon as you can. I check the emails periodically in the beginning and as the deadline approaches, more often. I will send a reply to every email I receive. I enjoy hearing from all of you.

Thanks, Sherri Chaney

DISTRICT 6 REPORT

Mack Grobis- Chairman

Greetings from Northeast Indiana! I hope you all had a wonderful Easter season! The district has been busy yet again! I would like to thank all of those departments who have invited me to their Christmas parties, awards dinners and other special events. This afforded me the opportunity to honor those who had 10-, 25- and 50-year anniversaries and were awarded pins from the association! I always like to sit and listen to stories from other departments... even though some of them cannot be repeated!

In January we had our district meeting at Ashley-Hudson Fire Department. We had a few guests at the meeting. IVFA Lobbyist-Larry Curl, IVFA State Chaplain-Dave Elick and IVFA PRNE Sam Bisel. Thank you for making the drive! District 6 Miss Flame Jenna Mackin made her appearance at the meeting as well... She has been busy visiting departments and helping with their events! TR Hagerty from IDHS stopped by and gave us an update on what is happening with the State and their training initiatives. There was a meal provided by Terry Bradner and 1-800-BoardUp.

In March, we had our meeting at Topeka Fire Department. We had a good attendance at this meeting! Thank you to all those members who drove the distance to attend. We had Cody Miller from Parkview EMS come and give refresher training on difficulty breathing patients. Thank you, Cody, for taking time out of your evening to present some training to the membership! Again, I want to express my thanks to Terry Bradner from 1-800-BoardUp for providing a meal at our district meetings! We had PRNE-Sam Bisel, D-7 Chairman Richard Sorg, IVFA Chaplain-Dave Elick. Also in attendance was IVFAA District 6 chair- Virginia Elick, IVFAA President Christina

Reef, IVFAA Vice President Bev Vanlandingham, IVFAA Sergeant at Arms-Suzie Lewis. We held a joint meeting which we may do more often in the future!

If you haven't registered for the State Convention in Indy this year, I strongly suggest you register ASAP! Great line up of speakers and educational opportunities. There will also be a Junior Firefighters Competition held at the convention!

I will suggest to all of our departments to encourage one or two people to be a delegate to attend the meetings. We would love to have more participation within the district.

Within the next few months be on the lookout for the release of the IVFA's first ever APP!

Check the website for the calendar of events for the State and district! \

If you need to get ahold of me, my email is district6@ivfa.org. My cell is 260-585-3213.

God Bless,
 Mack Grobis,
 District Chairman

DISTRICT 9A REPORT

Pascal Moon - Chairman

Greetings to all,

Well another spring is working thru the state and the brown of winter is giving way to green grass and fields of crops growing. The last few months have passed by faster than ever, and now its time to start thinking if the air conditioner is going to work?

The month Of January found us at Delphi Tri Township for District Meeting and I will say that they had a great meeting with the largest group in attendance since before covid. Maybe it's because of how Dan Dulin, Chief of Delphi tried to con the departments in to thinking they were going to get free fire equipment.

The sad part is that he didn't want to become the public information officer for the district????

Our next meeting was held at Democrat Township, Cutler and our own P.R. Northwest has to try and top it???

Jeremy can you handle the pressure, or will he just go with the flow?

Convention is getting close and as like last year, I will not be able to attend. Leighann will do a wonderful job for our District, she is a pro now since this is her 3rd convention, I told you that once you start you are in for life Kerry!

Stay Safe
Pascal

DISTRICT 10 REPORT

John Ray - Chairman

Greetings from District 10

Harrison Township's welcomed District 10 to their newly remodeled fire station in January. 10yr pins were awarded to Brad Mathes and Matthew Hoffman & a 25yr pin to Joshua Kestler, all from Harrison Township.

Program was presented by Chuck Gunter, Field Program Manager for the Dept. of Homeland Security who talked about programs that the State has available for firefighters. Corey Slaughter DHS District 8 Training Coordinator talked about the programs his district has that can

be used by all departments of the DHS district.

Marshal Stephen Jones was also in attendance, and shared updates from his office.

Marietta was host for the February meeting. An interesting program was put on by Marietta VFD with their grain bin rescue tube. They instructed the proper way to operate it, and what was involved in its use.

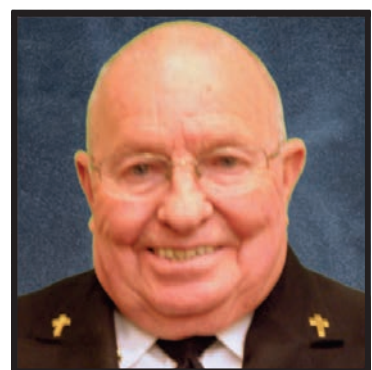

Chief, Brandon Fix of Marietta was awarded his 10yr pin; and 25yr pins went to Jason Mohr, Ben Pile and Issac Pile, also of Marietta.

We met at St. Paul for the March meeting in their new fire station. Chief Dan Pennington was presented a new IVFA clock. Retired firefighter, Butch Springmeyer of Clarksburg was given a 50yr Gold Coin. Ed Stone from Clifford also received his Gold Coin. St. Paul firefighters receiving 10yr pins: Jonathon Nedderman, Scott Robbins, and Elmo Redelman. Kris Martin of Manilla, was awarded his 25yr pin.

Since last newsletter, the following awards have been given: IFD firefighter, Mark Oakley received his 50yr Gold Card, Gold Coin and Meritorious Award. Moral Twp, firefighter Robert Boyer, received his 50 year Gold Card, Gold Coin and Meritorious Award. Gold Coins were also presented to Steve Stone and Fred Fry, of Marion Twp.; Charles Emswiler of Clarksburg; Bill Clark & Ronnie Tennell of Flat Rock; Ivan Shinolt of Elizabethtown; and brothers, Gary, Lloyd, & Mike Wissing of Manilla.

Spring planting season will soon be here; so be alert and be safe.

DISTRICT 12 NEWS / UPDATES / FUTURE ACTIVITY

"Good Morning."
"Good Afternoon." "Good Evening."depending upon the time of the day you choose to read your IVFA Newspaper either in print or electronically on our website.

Greetings and Hello From IVFA District 12, Boone, Hendricks, and Morgan County with just a touch of Hamilton and Marion

First let me say good bye to cold months of 2024 and welcome to (as of the writing of this article) Spring of 2024. Spring is the season during which the natural world revives and reinvigorates after the colder winter months even if they were not so bitterly cold for the most part this year.

One of the first signs that spring has sprung are the presence of tree buds and plant's buds During spring, dormant plants begin to grow again, new seedlings sprout out of the ground and hibernating animals like Bats, Skunks, Bears, and Snakes awake, watch out for the skunks. It becomes time to think about cutting the grass, planting new flowers, refreshing the old flower beds and getting the vegetable gardens in the ground. OK enough meteorological chat that I actually know very little about other than I do like spring.

So what are the plans for District 12 in 2024, first we hope to continue on the activities of the past and encourage more membership / families to join us, picnic, possible cook out, family dinner or maybe a planned trip such as attending the 2024 IVFA State Convention. More details

More meeting notes on page 8

I.V.F.A. DISTRICT MEETINGS

District 12

continued from page 7

about convention later in this paper.

We would like to congratulate our 2023 (recognized in 2024) District 12 lifetime members for 50 years of service, Charles K. Bowers Sr. and Joseph L. Griffin. I was honored to be able to present Joe's 50 year card to his wife and family (Joe passed away in 2023) as he was a member of the fire department that I began my career at and we served together for many years.

I hope to encourage more members to attend our District meetings, while we have had a quorum at all our meetings so far sometimes its by a very slim margin so, to our membership and guests, watch the IVFA calendar, read the District 12 Facebook, talk to other members who might know the date, time, and location or read it on the post card that is sent out by our district Secretary and hopefully posted in every station.

We hope to have another family gathering in the Summer or early fall and we want to make sure every District 12 member, his/her family and our IVFA families are aware, invited, and hopefully join us.

Our last District Meeting was hosted by Advance VFD, Chief Jim Caldwell who always rolls out the red carpet and makes sure we are feed good and have a nice place to gather as do all our District meeting department hosts Thanks to all who have, and hopefully will once again host a district meeting. We try to host all our district meetings on the First Monday of the month beginning in January and go every other month through out the years. Please check the IVFA website calendar page to make sure when YOUR next district meeting will be. Also we are always looking for meeting hosts, locations, departments to host our meeting so if you are a department in our district and would like to host a meeting please reach out to our District Secretary Chara Leaver @ ivfaadistrict12@ivfaa.org (as she also serves as our IVFAA (auxiliary chairperson hence her email) or by phone at 317-286-7367 or you may contact myself your District 12 Chairman Larry Curl @ district12@ivfa.org or by phone at 317-605-6669 either of us would be happy to help you schedule to host a district meeting.

Remember Spring is here, little one are everywhere so drive carefully when responding in your communities.

Its not to soon to begin thinking of all the awards the IVFA offers to our deserving members and some one in District 12 just might be the person to receive the 2025 award, but only if he/she is nominated and you are the one to make that happen. Visit the website at www.ivfa.org to see how easy that is to make happen. I know we have members just as deserving within district 12 as all the other districts so show you care nominate a fellow member.
DONT FORGET TO LOOK

AT THE 2024 CONVENTION UPDATE LOCATED IN THIS ADDITION OF OUR PAPER or ON THE CONVENTION WEBSITE where you can register, reserve a hotel room, learn what activities and events will be happening at your District 12 Hosted Convention. If anyone is still wanting to assist with or work the convention please let me know SOON

We the leadership of District 12 is looking for activities, interests, and ways to get you our membership more involved. Let us know, we would love to hear from you. We are only as strong as our membership and we can only help you if you help us.

HOPE YOU WILL CONSIDER ATTENDING OUR NEXT MEETING

Your District 12 Leadership Team

DISTRICT 13B REPORT

Anthony Smith - Chairman

Hello District 13B and the rest of the Hoosier State!

I want to first apologize to each of you for my absence over the last several months, which I trust you understand with the given situation that my family has been going through. I will use this opportunity to beg and plead that you participate in the Cancer Survey, provided by the IVFA. Simply click on the link, provided on the IVFA website and or follow the information that has been provided in the newspapers. Please continue to keep my Father in Law, and Retired Fire Chief, Dennis Spears in your prayers. My family and I cannot thank you enough for your continued support and constant prayers and check-in calls, texts, and visits!

I look forward to seeing you at the district meeting, May 29th at Liberty Fire Department. We have several service pins to pass out for Liberty Firefighters, so it will be a good time!!

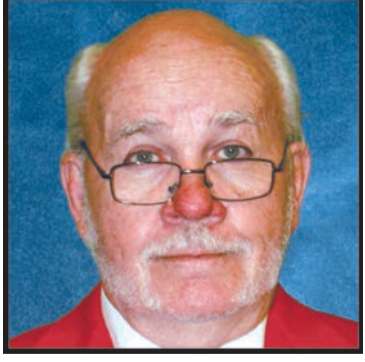

"Racing back to Indy" 2024 Convention has the "green flag" and will be hosted at the Crown Plaza- Indianapolis Airport, June (12th Pre-Convention), 13th, 14th, and 15th. There are many exciting events that will take place this year, including the drawing of a NEW PICKUP TRUCK!

For \$5.00 that's right, FIVE DOLLARS, you can purchase a ticket or multiple tickets for your "checker flag win". I don't know about you, but a \$5 chance for a new truck is worth it to me. Check out the website for more information about convention and much more! "Good luck, District 12!"

As always, please do not hesitate to call, text or email me if you have any questions, or any needs that I may be able to help with. Also, please post your department events on the calendar on the IVFA website and also to our Facebook page.

Respectfully,
Anthony Smith

To start the meeting Chairman Waninger hand out three 50 year gold cards. Two members of the Birdseye VFD were recognized for their years of service. Ralph Andry and Wendell Wright.

One member of the Ferdinand Fire Department, Daniel Hoppenjans.

Two 25 year pins, Laura and Matt Reckelhoff.

The business meeting was called to order at 8:00 pm by Chairman Waninger and welcomed everyone has joined us tonight.

Roll call was taken with 63 members representing 14 departments answering 469 Alarms.

Vice Chairman Smith introduced guest present; Ross Emery, Jack Kernie, Jon Hancock-dist. 10 training coordinator, Mike Demeglio- Donely Saftey, Kathy Smith- IVFAA Dist. 18 Chairman, Nicole and Susan from IDEM.

Nicole, and Susan from IDEM gave a presentation on what can and can't be burned and sizes of piles. Main take aways were that no business can burn anything at all, and we all may or may not have broken burn rules before.

State Officer's report

State Vice President- Ross Emery talked about needing more state nominations for awards. Only 18 applicants for the Bridgeport were submitted. Continued about the cancer survey and the new upcoming jr. Firefighter competition at the state convention.

State Office -Jack Kernie talked about AFG and Safer Grants have not kept up with inflation, Fiscal Year 2024 ending had a combined 36 million dollar cut. They asked for a 15 million dollar increase in 2025. New OSHA rules will affect 37 NFPA standards and will affect how we do business as smaller Volunteer departments.

State Lobbyist - Larry Curl stated we had 78 life time members this year, 37 of whom attend the 50 year resolution with the governor. Larry talked about SB 33, the proposal that the county council must advertise when they have a meeting. Curl talked about

next years plan for state house session and how to get younger involvement in the fire service. Pinch-in plan? Retirement? Income tax credit? Reminded the association that volunteers save the state 4.8 billion according to our study in 2020. Lastly Curl talked about his district hosting the 2024 convention. They are giving away a brand new pickup truck. \$5 a ticket. All departments should have a received and envelope with 40 tickets inside, for every 40 sold they will be entered in a separate drawing to receive a portion of the profits after all bills are paid.

District Chairman's report
Chairman Waninger stated if any departments has fundraisers coming up, to please post them on the IVFA website.

DISTRICT 19 REPORT

Ben Sieverding- Chairman

District 19 IVFA Article

Our past two district meetings experienced very good attendance. The crowd at Blooming Grove VFD in Franklin county was amazing. Our next meeting will be at the Miller York VFD on May 23rd, mark your calendars.

Our district has experienced the loss of a few long time firefighters over the last six month. The Delaware VFD unexpectedly lost long time member Jarred Meinders and Bill Hosmer, a founder member of

I.V.F.A. DISTRICT MEETINGS

the department. The Otter Creek VFD lost a 50 year plus member, Bob Furst. Reflecting on these losses it caused me to think about those who came before us in the fire service and our departments.

These past members spent many years working and building our departments into what they are today. We should take time to honor their contributions and remember them and the impact they had on our departments and our communities. We owe it to them to make sure our new members understand and appreciate the history of our departments and how the efforts of these past members helped make us what we are today in the fire service.

As we come into the spring time, and wildland fire season, we can use this time to not only remember and honor our past but instill in our young members the love of the fire service. Sometimes we can spend too much time discussing the problems we encounter and not enough time on the good things about our departments and the fire service.

To honor those who came before us let us work to inspire our young members to love the fire service and everything it stands for.

DISTRICT 21 REPORT

Don Fultz- Chairman

IVFAA President Christina Reef

Hello Everyone,
I hope you all had a wonderful spring. I love all the rain in the springtime because it helps bring all the beautiful flowers for summertime.
I hope everyone is looking forward to the convention this year. It is June 13th thru 15th at the Crown Plaza at the Indianapolis Airport. If you have not registered for convention, it's not too late. Registration forms & information are on the IVFA.org website under convention.
There are 21 district Miss

Flame contestants this year. The Miss Flame committee & Convention committee have been working hard to make sure all the contestants have a fun & exciting time. These young ladies build friendships that last a lifetime & learn some important life skills. This year the Miss Flame project to collect items for Wheeler Mission. If you are interested in helping them collect items, please reach out to them or your district chairman.

Even though awards are closed for this year, it's never too early to start thinking about next year. I would like everyone to look over the available awards on both the IVFA & IVFAA side. The list of awards is located on the IVFA.org website under awards. Once there you can read about each of the awards & even nominate someone. I know we have more people who are extremely deserving of each of these awards in every district & every department too, because I met them as I travelled around the state attending meetings & events. If you have any questions or issues, please contact your district chairman or a state officer.

I want to let you all know that anyone is welcome to attend the state quarterly meetings. You

Please support the advertisers!!

are also welcome to join our fellowship event that we have on the Saturday before the meeting. If you are wanting to attend a quarterly meeting, please contact me. I will make sure you receive all the necessary information. We have had so much fun & learned a lot about each other, over the past year doing these fellowship events. I hope we can continue this event in the future, so we build even stronger relationships.

Please continue to post your meeting date, time, and location on the website calendar & on the IVFAA Community Facebook page. Please also post any events happening in your district. This will not only help me know when your meeting is but will also let others know in your surrounding areas.

Please let me know if you need anything or have any questions. I'm always happy to help.

Sincerely,
Christina Reef

I.V.F.A.A. DISTRICT MEETINGS

DISTRICT 6 REPORT

Virginia Elick - Chairman

March 26, 2024 IVFAA District 6 meeting minutes

IVFA District 6 Chairman Mack Grobis opened by calling the meeting to order. The meeting began with the pledge and a prayer, by State Chaplain, Dave Elick. After dinner, IVFA Chairman Grobis conducted the IVFA meeting. He suspended the meeting for the IVFAA District Chairman, Virginia Elick to conduct the IVFAA meeting.

IVFAA Chairman Virginia Elick stated she has been appointed as the IVFAA District 6 Chairman until regular elections can be held at the July District 6 meeting. She encouraged people to attend and to vote. She reported the last meeting minutes, and the Treasurer's report were not available at this time. We hope to get them soon. IVFAA membership forms were available with a dues fee of \$10 per year.

IVFAA Chairman Elick stated IVFA District Chairman Mack Grobis is willing to suspend the IVFA meetings to allow the IVFAA Chairman to conduct their business. This will allow any IVFA member who is also an IVFAA member to vote on Auxiliary business as needed.

She also stated she would like the Auxiliary to continue with the 50/50 drawings at each meeting. The goal is to have at least \$100 in the Treasury to give to the District 6 Miss Flame to help with expenses she has regarding the convention. IVFAA Chairman Elick said she will be getting some tickets so it could be started again at the next District 6 meeting.

Guests in attendance were IVFAA State President, Christina Reef, IVFAA State Vice-President, Beverly Vanlandingham, IVFAA State Sargent-at-Arms, Suzie Lewis as well as the IVFA State Chaplain, Dave Elick.

President Reef reported there are awards for the Auxiliary side needing more nominations. The committees did not have very many to choose from and were sure there were more that could be received due to deserving members. She encouraged more nominations or letters be submitted. This can easily be done using the IVFA website. She also stated if there were any questions, to contact the District Chairman or email one of the State Officers - contact information is available

through the IVFA website. President Reef also said the IVFAA has a \$3500 Accidental Death and Dismemberment policy available for free to all paid IVFAA members. She encouraged everyone to keep their beneficiaries updated. It is very awkward to award beneficiary money to a person when he or she may be an ex-husband or wife and there is a current husband or wife.

Vice-President Vanlandingham stated she has been receiving questions regarding the policy. Family have contacted her believing they should have a death benefit to help with funeral expenses. That is not the type of policy that we have. It is an accidental death or dismemberment policy. So, if a member has passed due to cancer (for example) the policy will not cover that.

There were 6 paid members in attendance.

The meeting was concluded. IVFA District 6 Chairman, Mack Grobis, resumed the IVFA meeting.

Respectfully submitted, Virginia Elick, IVFAA District 6 Chairman.

DISTRICT 7 REPORT

Cindy Krueckberg - Chairman

District 7 of Indiana Volunteer Volunteer Firefighters Auxiliary met on March 18, 2024 at Nottingham Township Volunteer Fire Dept.

The meeting was called to order at 7:32 by Chairman Cindy Krueckberg. With the Pledge of Allegiance to the flag.

Roll call was answered by 8 Members, 2 Individuals, and 4 guests.

Minutes from the January meeting were read and approved.

State minutes were read.

A check was given to Carol Curl for 25 dollars for the miss flame sash.

Chinese auction Logan Lockwood has been putting together a spa basket and Bev reported that it is almost done all she needs is lotion and a bottle of wine Cindy stated that she has a bottle of wine and Christine stated that she will get some mary kay lotion to Cindy to add to the basket and it will be done.

Miss Flame project Wheeler Mission. These items can just be brought to convention. Carol said that Larry is trying to get a semi at the convention that everyone can put the items. Christina stated that the only thing that could be lightly used is the pack and plays, everything else should be bought

new. SOG's and By-laws are available on the website and are finished.

We discussed Kristy stepping down from recording secretary and Dawn was nominated and accepted and resigned from Corresponding secretary. And was elected as the responding secretary. Election was held to fill the corresponding secretary. Janet Mathews was nominated and accepted. Janet was elected Corresponding Secretary.

Departments need to get with Cindy about 10,25,50 year pens for members.

If we have a new auxiliary forming we need to get them in contact with Bev, or Christina.

Miss Flame meeting on the 5th of may is not mandatory.

Dress code for Miss Flames this year at the Convention will be put into place due to short dresses last year. They are also required to wear either gray or black.

Aubrey talked a little about what she has been doing since the last meeting she has been to several pancake and sausage breakfasts. She stated that she has served a lot of coffee, cleaned trays, and made pancakes. She likes to make special pancakes for the kids such as mickey mouse.

If you pre register for Convention you will be getting a challenge coin. Convention will be held June 12-15 at Crown Plaza in Indy.

Cindy brought up all of the upcoming events that she found on the Facebook page. Poe pancake and sausage March 24th from 9am to 1pm, Berne Pancake breakfast April 13 starting at 530 am, Huntington township Golf outing June 1st at 9am, Hoagland Easter Parade March 23rd at 1pm, Ossian Pancake breakfast April 13th from 6am to 11 am.

Aubrey brought up asking if we could get a venmo for fundraisers for those who do not have cash on them that was tabled for the next meeting.

Next meeting will be at Ossian on May 20, 2024 at 7pm.

Joyce made a motion to adjourn the meeting at 8:14 2nd by Christine. Motion passed.

We made \$1297.00 from the bake sale thank you to all who participated.

DISTRICT 11A REPORT

Bev Taylor - Chairman

Hello from District 11A-A Aux. The Weather is getting better and we can get out more, feels good.

Our last meeting was held at

Pierson TWP. We had 9 ladies present. We talked about the Convention in June Thursday 13th to Saturday 15th at the Crown Plaza Hotel by the airport. Lots of fun things planned. District 12 is hosting. A lot surprises and different programs.

Our Miss Flame Jahanna Bellville well be collecting items for the Wheeler Mission. She

collecting cleaning items, food items such as canned soups, Granola bars, peanut butter, jelly etc. and personal hygiene items. Please help if you can. Bring items to the next District meeting and I will make sure she gets them.

The next meeting will be at Prairieton Fire Dept. May 19,2024 I would love to see more people come out. Hope to see you then!

Stay Safe

DISTRICT 11B REPORT

Jodi Rohr - Chairman

Has Spring finally sprung or is Mother Nature just teasing us? It's been nice hearing the birds and watching the flowers peak through, hoping frost doesn't get them. I hope each of you has been able to enjoy the Easter holiday with family and friends.

Unfortunately, not much is going on in the district. Attendance is very sparse. PLEASE let me know what we can do to get more people involved. Do we need to move meetings to weeknights rather than Sunday afternoons?

If childcare is an issue, we'll work on rectifying that. If you need or want me to attend your local auxiliary meetings, reach out. I would love to get out and meet with more of you.

Our January meeting was cold and snowy! Hot pizza on a cold day hit the spot. Thank you to Black Diamond Fire Dept for hosting. Once again, we did not have enough members to conduct a meeting.

In February, I presented a Bible to the family of Betty Woodard from the Cayuga Ladies Auxiliary. Thank you to Chaplain Judy Wirth for her guidance and support. (Our Chaplain is really a peach.)

Our March meeting was on the 10th in New Market. We discussed the 10-year pins that will soon be available to members.

I reminded everyone to get their reservations and registrations in for Convention. Two days later, I had the honor of presenting 25-year pins to Kim Bailey and Meisha Jumps from the Cayuga Auxiliary. Each of these ladies have been members of the IVFAA for over 30 years. Their picture, along with pictures of the newly opened blessings box, located beside their firehouse, can be found elsewhere in this issue.

Speaking of Convention, get your reservations and registrations in before June 1. After that, registration increases to \$125 per person. ALSO, buy your truck raffle tickets!! A \$5.00 investment for a \$50, 000 truck sure sounds like a deal to me. How many of you are willing to buy tickets for a 50/50 raffle for a pot less than \$50? In my opinion, \$5 for something worth \$50,000 sounds like a much better return on your investment.

Stay safe out there and remember that it doesn't cost you anything to be kind.

DISTRICT 21 REPORT

Patti Flutz- Chairman

District 21 meeting for February 26, 2024 was held at Romney Vol Fire Department.

Tatum Moore was presented her sash for Miss Flame 2024. The IVFAA will be presenting 10 year pins to their members. We have three 10 year members at this present time.

We had some changes of State Officers at our quarterly meeting in February.

They will hold their new office until convention. At convention elections will be held for officers for the next year. At this time Janet Mattreus is our Corresponding secretary and Dawn Hillenburg-Harris is our Recording secretary.

Please make sure you have your reservation for the convention and the hotel by May, 2024.

Our next meeting will be at Sheffield Vol Fire Department in Dayton, IN on May 20, 2024 at 7:30 pm. A light meal will be served at 6:45 pm.

Hope to see you there.

that "deer-in-the-headlights look and said OH!

After this conversation, I got to thinking about my answer that I gave her. Was I correct in my response? Maybe there are other reasons our volunteers walk into dangerous situations as others run away from it, but what? SOOOO.....contacted 25 of my closest firefighters, ladies and gentlemen, and they all had about the same reason that I thought -

#1 Giving back and serve the communities where they live.

#2 Follow in their families foot steps, to carry on the family contributions.

I know of 3rd and 4th generation firefighters.

#3 Some got started in Cadet Programs and decided to stay for the action and helping.

#4 The local departments went out and invited the community to come and just learn basic fire prevention and they just stayed on.

I was very thankful I answered correctly. That means my Bible verse John 15:13 rings true!

I am so honored to work alongside each and everyone of you. I pray everyday for your wisdom and knowledge on the job but number one YOUR SAFETY. I love you all.

Thank You for all you do.

Have a safe and wonderful summer.

Hope to say hello to you at Convention!

Take Care,

Judy

P.S. I had one first responder tell me that the old TV show 'Emergency' was the driving force for her to get into this service!!!!

Squad 51!

Station 51!

John 15:13 Greater love has no one than this, then to lay down one's life for his friends.

I was visiting with a friend a few days ago and she asked if I was still very active with the volunteer fire service. I answered, "Yes, first responder's are very special to me and it is an honor to work alongside these wonderful folks and help them in anyway I can!" Her reply kinda surprised me, "Why would anyone want to do this job, there isn't enough money in the world for me to do this! Is the pay that good?" I told her this is VOLUNTEER fire service, there isn't any money or getting paid. She was shocked to hear that, shook her head, and was very quiet for a moment then asked, "Why? Why do it then?" My answer was - to give back to the community where we live, to help our neighbors in their time of need. She just looked at me with

Miss Flame Competition 2024

By Leighanne Ellis

Congratulations to all our District Miss Flames. This year we have 21 young ladies that will be representing their respective districts vying for the title of State Miss Flame at the IVFA Convention June 13-15, 2024. We couldn't be more proud of all their hard work. New event happening this year will be the pre-convention orientation. This will be held May 5, 2024 from 12p-3p at Crowne Plaza Hotel in

Indianapolis by the airport. This is an optional event for the girls but will allow for them to get advice on hair, make-up, interviews, and introductions. Plus they will get to meet each other prior to convention and start building those lifelong connections. Please keep an eye out on Remind for current updates, and also watch your mail for information.

We would also like to send our congratulations to our current State Miss Flame Alexxys

Standish. She was crowned the Indiana State Fair Queen and is making history for Newton County and District 9B. Please invite her to your events.

Good Luck Girls, and we cannot wait to see you soon!

Miss Flame Committee- Leighanne Ellis, Janet Matthews, Tammy Smith, State Miss Flame Alexxys Standish, Andrea Standish, and Carol Curl-convention

The Miss Flame Competition 2024 will be held at Our convention, June 13-15 at the Crowne Plaza Hotel, 2501 S. School Road, Indianapolis. We hope to see you there!

Benefits of becoming a Volunteer Firefighter

What are the Benefits?

We first think that it is to help our communities and to someday become a paid firefighter.

How true that is but the truth is that "maybe" you will become a paid firefighter and maybe you won't?

What we do is help our communities, we help in their times of need, at the lowest time that a person or family can have, the time when we have to be the ones to make their day as best we can.

We helped the stranger that was just driving thru our area, they were just passing thru when they happened to have that bad day with a car wreck or maybe a medical condition.

We help our own family members when they have had a power outage and needed

oxygen for the father of a member.

We help the older in our area by just maybe helping them back in a chair and talking to them, we help the young by putting a band aid on at a community event or sitting in the firetruck.

We help the community at that fund raiser just by allowing them to sit and talk to others they haven't seen for a while. As they give the department money to help with equipment or repairs.

How about helping the other members on the department move the pool table, gun safe or freezer in the house, or building a wheelchair ramp for a member's son after a car wreck.

The time we spend training, missing the kid's events at school, or being late to a family Christmas, birthday, and awards

program. It is to try to make someone else have a better day.

The benefits that I have received for the years of meetings, trainings, fires, car wrecks, smell of smoke, CO checks, false calls and fund raisers, has been as simple as thank you, a plate of cookies, a cup of coffee, and egg sandwich, ice cream, pizza and hugs.

The thing is that some times, the hugs and cookies are better than any type of monetary benefits.

We often only think of ourselves in that we need to be "paid" for what we are doing, if that's what you fell you need and want to receive something, check for discounts for first responders'.

This is just an added benefit that these places are giving you for what you are

doing!

The community that you serve is giving you a benefit called "piece of mind" that you are doing something that is priceless!

Volunteer and see for yourself!

These are some of the things that I have done in my 34 years!

NEWS FROM DISTRICT 13B

Submitted by Anthony Smith, District Chairman

Brett Leland assisted District Chairman, Anthony Smith and presented Tony Shelton of Straughn Fire Department his 25 years of service pin.

Firefighters from Straughn also presented a retirement plaque to Tony. Thank you Tony for your commitment to your community and fire department, and may you enjoy your retirement!

Keeping up with an old challenge

During the 2023 Convention, the Hoosier Burn Camp was presented with over \$25,000 with joint efforts of the Hoosier Burn Camp Auction, held annually at the convention, and with individual donations from several departments around the state.

District 13B Treasurer, Brett Leland received a donation from the Whitewater Valley Motorcycle Club for \$2,100! WWVMC held a motorcycle run last fall in efforts to raise money for HBC, and to be given to HBC at the 2024 convention. Thank you WWVMC for choosing this organization to support!

District Chairman, Anthony Smith was 1 of 11 Volunteer Chief Officers that attended the Fire Chiefs Academy, Class #6. The volunteer attendance made up 31% of the class total. Though the class is not required for Volunteer Chiefs, I definitely recommend our Volunteer Leaders to sign up and attend. You will immediately utilize the knowledge you gained from class and benefit greatly from the networking opportunities you are introduced to!

Chief Dennis Spears Retirement

Congratulations Kerry Oliver, with Abington Twp Fire Department for your 10 years of service! Kerry is an asset to Abington Fire and surrounding Departments. He is constantly sharing valuable information around the emergency service community in Wayne and Union Counties to better assist Firefighters perform their duties!

Commitment, pride, passion, love, desire, professionalism, putting others before yourself, selflessness, mentor, a Fire Chiefs-Fire Chief, are just a few words that will describe Chief, Dennis Spears.

Dennis dedicated 45 years of his life to the Town of Centerville, and Centerville Fire/Rescue. Dennis never complained when the pager went off, it was simply time to go to work, regardless of the circumstances. Never would you hear Dennis complain about lack of sleep, burnout, or even anything negative. He took an oath 45 years ago to provide a service to the ones who called for help and always did it with a smile.

We know had it not been from this setback of the cancer diagnosis, retirement would not have been a consideration. We ask you to please keep Dennis in your prayers. Keep pushing forward, Dennis!

We cannot thank everyone enough who came to show Dennis love and support at his retirement party!

William (Bill) Paddock Memorial

March 25th, 2024, Abington Twp Fire Department mourns the loss of Retired Fire Chief and IVFA Life Member, William (Bill) Paddock. I would like to express my deepest condolences to AFD and Bills family during this difficult time.

“All Wayne County fire departments and listening stations, be advised Retired Fire Chief, William (Bill) Paddock, a kind and gentle soul left this earth March 20th, 2024, and has been reunited with many great legends, family, friends, and his late wife of 50 years, Linda Paddock.”

“Bill was a founding member of the Abington Township Volunteer Fire Department, serving 50 years and 20 years as Fire Chief. Bill is a Life Member of the Indiana Volunteer Firefighters Association, with 56 years of membership. You have completed your mission here. You have been a good friend to all, You have made your family and community proud, and have shown what a true legacy is for many to admire”.

“You will always be remembered by your helpful generous heart, your friendly smile, the passion to the fire service and most importantly- having the honor to claim you as, husband, dad, brother, grandfather, Chief and friend”.

“You have fought the good fight, and now it’s time to rest. May you always watch over us and leave little reminders of you to help us through tough times”.

“All units break for a moment of silence.....William Eberly Paddock, may you rest in peace. Thank you for 56 years of dedication to the fire service. Until we meet again, Retired Abington Township Fire Chief, AF-1”.

“WQDR 697, Wayne County Fire Dispatch clear”.
